

# 21st - 24th of August

**You have registered for a study at Erasmus University Rotterdam (EUR), that's amazing!**

You have registered for a study at the Erasmus University Rotterdam (EUR). A lot will change in the coming months, you are at the beginning of a new challenge in a new environment. It is the best time of your life and of course you want to start that time in the best possible way. For this reason, the 50th edition of the Eureka week will be organized this summer. The Eureka week is the time to discover the city, the university and student life!

The Eureka week is the official introduction week for all new students of the EUR. The goal of this week is to give students a flying start to their academic career and to show what student life in Rotterdam has to offer. From the 21st to the 24th of August, Rotterdam will be coloured by the Eureka week.

### Why the Eureka week?

Each year, together with 4,600 other students, the Eureka week is the perfect start of the student life. You will get to know your fellow students, you can make lifelong friendships and discover everything you can do in this fantastic city.

### One of a Kind

The theme of this year's Eureka week is 'One of a Kind'. While all of us are students at the same university, everyone is different. While some students might be born in Rotterdam, others will set foot in the city for the first during the Eureka week. Some students might have their whole future planned out, while for others it is still one big mystery. Being part of something bigger, while staying true to yourself is impressive. One thing is for certain: all of you are unique, or in other words 'One of a Kind'.

This new period in your life can be challenging. Luckily you don't have to start this adventure alone! During the Eureka week you will meet new people and encounter opportunities that will help you make the absolute best of this time!

### Where can I stay during the Eureka week?

During the Eureka week, a place to sleep in Rotterdam is highly recommended. It is possible to stay in a student house of one of the social and sports student associations. You can of course also sleep on the university campus. Look for more information and other sleeping possibilities on the website.

**Important: Some places to sleep in Rotterdam are scarce. Arrange this on time.**

## Speciale wishes?

Please let us know well in advance if you have special wishes regarding a disability, diet or allergy. We try to take it into account as much as possible. Do not hesitate to send an email to [eureka@eur.nl](mailto:eureka@eur.nl)

## Programme

The programme consists of a lot of diverse activities, from a information market to a fesitval. There are fun activities for everyone. Keep an eye on our social media and website for the latest updates.

## Studentenorganisaties

There are a lot of student organizations affiliated with Erasmus University Rotterdam, such as study, sports, student, cultural and International associations.

These associations organize many educational and fun activities so that you can quickly get to know a lot of people and learn more about, among other things, Rotterdam, the student life, a culture, your study and / or a fun sport! You can find an overview of all the associations in this flyer!

On our site you can find even more information about the associations.

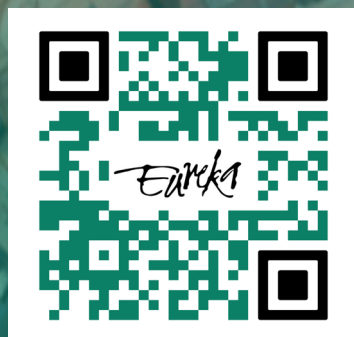

## Team Eureka!

This year, a team of ten students have worked full time for a year on the Eureka week to organize the whole event. In addition, hundreds of volunteers as crew, guide or committee members help to ensure that the Eureka week is a success every year. This organization is known as Team Eureka and we look forward to meeting you this summer!
