## WHO ARE WE?

The Eastern European Student Association (EESA) is a cultural hub that aims to build and empower the Eastern European student community at Erasmus University Rotterdam (EUR). We do this via career, creativity, trips and just having fun! We strive to build a strong, open-minded, and welcoming community at Erasmus University. Our aim is to strengthen multicultural ties, create a family-like environment while integrating into Dutch society.

# EDUCATION

CSA-EUR organizes **Dutch and Mandarin language courses**. Language is a unique way to express culture. Learning it thus gives us the chance to gain invaluable new perspectives and broaden our horizons. We offer small-scaled classes and professional teachers which ensure the quality of the courses. This year the courses will be taught in both an online and offline setting. You can sign up for language courses in September, January and April via our website: [csa-eur.nl](http://csa-eur.nl).

Besides the language courses, the Education Committee also organizes language events. During these events, students get a change to really practice the language they learnt through games and listening to other speakers.

## GENERAL MEMBERSHIP €10

You can join us and become a member for only €10 for 3 years. A general member receives a CSA-EUR membership card that can be used to receive exclusive discounts at CSA-EUR events and our various (restaurant) partners in Rotterdam, Delft and The Hague.

## BRONZE MEMBERSHIP €109

The duration of the bronze membership is one trimester. Next to the benefits of a general membership, bronze members can participate in one language course and receive discounts at selected cultural events.

## SILVER MEMBERSHIP €179

The duration of the silver membership is two trimesters. The silver membership can only be bought in the first and second trimester of an academic year. Next to the benefits of a general membership, silver members can participate in two language courses and receive discounts at selected cultural events.

## GOLD MEMBERSHIP €229

The duration of the gold membership is three trimesters. The gold membership can only be bought in the first trimester of an academic year. Next to the benefits of a general membership, gold members can participate in three language courses and receive discounts at selected cultural events.

CHINESE STUDENT ASSOCIATION  
ERASMUS UNIVERSITY ROTTERDAM

CONNECTING

BEYOND

THE GREAT WALL

LET'S GET IN CONTACT

2004

was the year we were founded by EUR students with the aim to become a social, cultural and educational as well as a career-wise enrichment of undeniably the most important and joyful period of your life: your studying years.

85+

different nationalities in our general member pool, making CSA-EUR one of the largest multicultural student associations in the Netherlands.

3000+

is the number of general members that we currently have, excluding over 500 alumni members.

## ABOUT US

CSA-EUR stands for **Chinese Student Association Erasmus University Rotterdam** and was founded in 2004. Since then, we have provided a platform for everyone, regardless of their background, who is interested in Chinese culture or business. We **connect like-minded people and organize diverse events:** educational, social, cultural, career and much more!

We are known for our family-like feeling within our organization. We stand for an **open community and celebrate diversity.**

## SOCIAL EVENTS

These events are all about bringing people together in a fun and informal way. We welcome like-minded people from different backgrounds into our CSA-EUR family with open arms and create unforgettable memories together. Our social events range from parties, such as **Moon Festival Party and Christmas Gala, to smaller scale social get-togethers, such as a sports tournament and pub quizzes.**

Check out our Facebook page to see photos of our past events. And don't miss out on our next events. Unforgettable memories and friendships for life are bound to be made!

## CULTURAL EVENTS

CSA-EUR organizes various events for people to experience the Chinese but also the Dutch culture. Our main goal is to introduce others to both cultures in a fun and exciting way.

The two major themes within the cultural events are food and exploration. We believe that the best ways of learning about cultures is through eating, making delicious food and experiencing the cultures through the eyes of locals. Therefore, our events range from **food workshops and Chinese New Year dinners to city trips across the Netherlands.**

## CAREER EVENTS

The purpose of career-related events is to fill the experience gap that arises once students decide to start their career. Our annual flagship event: **China in Focus Career Days**, is an event which revolves around bridging ambitious students and young professionals to companies with an affinity for China. During this event, guest speakers from the business community will highlight current developments in the Chinese economy — furthermore, other career-related activities, such as **company dinners, in-house days, and career related workshops** are organized. If you are looking to enhance your skills for the job market or want to network with business professionals, then look no further!

## STUDY TRIP

The annual CSA-EUR Study Trip is one of our flagship events that encompasses educational, cultural, and social exchange. The main objective of the trip is to make students get acquainted with Chinese culture and business ethics. **Discover how multinational businesses are operating in China, visit prestigious universities and experience the exciting culture through local engagement.** The trip takes place around springtime each year.
