## Rotterdamse Studenten Korfbal Vereniging

The Rotterdam Student Korfbal Association Erasmus is the korfbal association in Rotterdam for and by all students of Erasmus University and Rotterdam universities of applied sciences. It is the korfbal association where you can combine a student-like atmosphere with outstanding sportivity, both on the field and in the hall.

What can you do to see if Erasmus is really something for you? You can, for example, join a training session once! You can sign up by sending an email to: [secretaris@rskverasmus.nl](mailto:secretaris@rskverasmus.nl) or check [www.rskverasmus.com/lid-worden](http://www.rskverasmus.com/lid-worden).
