Eurekaweeek Laurentius

AUGUST 21-24

R.S.V. Sanctus Laurentius is the oldest mixed student association in Rotterdam, with over 1250 active members and around 2000 active alumni. Being an association with a long history, it has a rich collection of traditions that continue to be upheld to this day. The association is situated in the centre of Kralingen, the student district of Rotterdam, where nearly all of its 50 (!) association houses are located. It is the perfect place to begin your student life!

Laurentius promises to make your time as a student in Rotterdam unforgettable from the moment you arrive. You will have the opportunity to meet many new people and make friends for life. During your first year, you will be part of a group of around 15 girls or boys. Every Tuesday, you will eat together and come to the association to socialize with other members. On Thursday, our student discotheque 'de Benedeneend' opens its doors for a night of partying until the morning. In your second year, you will have the chance to join a 'dispuut' to expand your circle and meet even more members from other years.

During the Eurekaweeek, you're invited to join us at our terrace from 4:00 PM onwards to get a taste of what it's like to be a member of Laurentius. You can even stay at one of our houses during the pre-Eurekaweeek party on the 30th of June or during the Eurekaweeek in August. You will participate in fun activities, socialize with others, and enjoy the atmosphere of Laurentius. We are excited to meet you!

If you have any questions about our association or any doubts about becoming a member, please don't hesitate to email Sharon (eurekaweeek@laurentius.nl) and follow us on social media to stay updated on all the activities before and during the Eurekaweeek!

Onze sociëteit 'Alveus Dei' aan het Eendrachtsplein is elke dinsdag- en donderdagavond vanaf 22.00 uur geopend voor een drankje aan de bar. Meer weten? Kom een keertje langs op de sociëteit op dinsdag- of donderdagavond of voel je welkom om met ons te chillen op het NSR-terras in de Eurekaweek!

Navigators Studentenvereniging Rotterdam (NSR) staat met meer dan 300 leden midden in de studentenwereld en met een open karakter zijn we écht student en écht christelijk.

Écht student zijn betekent dat we een studentenvereniging zijn met activiteiten als borrelavonden, feesten, weekendjes weg en een gala. We hebben veertien hechte disputen, en verschillende commissies.

Écht christelijk houdt in dat we actief bezig zijn met geloof en hier een duidelijke plaats voor hebben binnen de vereniging. Ons motto is 'Christus kennen en Hem bekendmaken', dit is hét kenmerk van NSR: We willen meer van Hem leren en dat gunnen we anderen ook.
